"Katie West and team at Soldiers & Sailors Memorial Hall and Museum made our wedding party a success! They were smart, attentive and sensitive to the many ways we opted to customize our reception within the ballroom. Vendors know and trust them. The ballroom is a grand space that added to the whole experience of a wedding reception. Our guests were wowed by its beauty and of the building' itself. Many guests commented on the historical nature of the museum exhibits and how fortunate they were to view them. All in all, a fantastic space and an amazing team!" - Joe on The Knot

"We had both our ceremony and reception at Soldiers and Sailors, and it was absolutely stunning all around! The ceremony on the front patio was everything I'd hoped it would be, and the ballroom upstairs was just beautiful! The coordinator we worked with (Angela) was EXTREMELY helpful and very communicative, and answered all of my questions very quickly along the way. I knew our day was in good hands with her! This is the perfect venue because both the patio and ballroom can be dressed up or kept simple, and you can't go wrong either way. It was the perfect size for us, and I wouldn't change a thing! HIGHLY recommend this venue for anyone looking for a classy, elegant venue!" - Logan on The Knot

"Soldiers & Sailors was the most perfect place I could have ever imagined having our wedding. We postponed our 2020 wedding to November 2021 and knew we had to keep this as our reception venue. Working with Amber was absolutely amazing throughout the entire process, and her organization and relationships with the vendors was top notch. The venue itself was absolutely stunning. We held our cocktail hour in the 3rd floor hallway and reception in the ballroom. We absolutely loved the openness of the dance floor with the hardwood floors naturally creating a ton of space for our guests to dance all night long. With their preferred vendors list, we were confident with all of our choices and extremely satisfied with all our vendors due to their relationships with the venue and knowledge of the space. Amber helped create the most amazing wedding day and experience for us and we would recommend the venue to anyone in Pittsburgh!! (Huge bonus - we got married at St. Paul's Cathedral down the street and the location of Soldiers & Sailors was absolutely perfect. Our guests were able to walk from the ceremony to the reception without transportation)" - Elizabeth on The Knot

Pricing & Payment Scheduling:

Our 2026 reception fee for the Ballroom is $7,500. Soldiers & Sailors offers a military discount (with proof of current or prior service), as well as a non-Saturday rental discount (excluding holiday weekends). Ask the sales department for details. Your reception rental time may also be extended for one hour for a fee of $500. We offer the opportunity to host your ceremony onsite for an additional $1,500 fee if you also host your reception onsite. Ceremony fees are not eligible for discounts.

Many clients hosting larger weddings elect to host their cocktail hour on the patio or amidst the museum's first floor lobby and surrounding wings of the museum, allowing their guests the opportunity to view a unique look into American history by telling the stories of the individuals that served our country through military equipment, artifacts and personal mementos. This option is suggested for weddings of 200+ and required for weddings of 250+. Each space is available for an additional $1,000.

Ceremony and patio or first floor lobby cocktail hour can be bundled for $2,000. A security officer will be hired to be onsite for the duration of your wedding. The current pricing will be billed to you at $125 an hour.

Schedule of payments and other due dates:

- 30 days after your contract is issued: $1,000 deposit and your signed contract are due
- 6 months prior to your wedding date: half of remaining rental fee is due
- 60 days prior to your wedding date: remaining rental fee balance and your event insurance certificate are due
- 10 business days prior to wedding: Bar bill and separate bar contract are due
